Docket No. 772

AFFIDAVIT CONSENTING TO
DISBARMENT, AND RESPONSE

FILED

JAN 02 2013

CLERK SUPREME COURT

1. Attached hereto as Exhibit A is the original of an affidavit consenting to disbarment which was sent to the Attorney Disciplinary Board by Susan Hense's attorney, Frank J. Nidey. (See Exhibit B).

2. The Board understands that Ms. Hense misappropriated approximately \$800,000 of client funds. The affidavit states (paragraph 4) that Hense expects to be prosecuted for theft in the first degree, which involves more than \$10,000 and is a class "C" felony. Iowa Code § 714.2(1). Thus, the Attorney Disciplinary Board states, pursuant to Court Rule 35.16(2), that it believes the misconduct admitted in the affidavit would probably result in revocation of Ms. Hense's license to practice law. See *Attorney Disciplinary Board v. Reilly*, 708 N.W.2d 82 (Iowa 2006).

WHEREFORE, the Attorney Disciplinary Board requests an order disbarring Hense on consent, as provided in Court Rule 35.16(3).

IOWA RULE 35.16 DISBARMENT ON CONSENT

AFFIDAVIT OF SUSAN L. HENSE

I, Susan L. Hense, being first duly sworn, do depose and state:

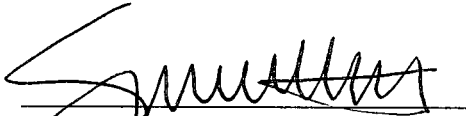

1. I am an Iowa lawyer, admitted to practice on September 9, 1996.
2. I submit this affidavit pursuant to Rule 35.16(1) for the purpose of consenting to disbarment.
3. My consent to disbarment is freely and voluntarily given with great remorse for the actions underlying it. In making this decision, I have not experienced any duress or coercion. At this time, I know of no pending investigation concerning my actions.
4. I consulted with my attorney before signing this affidavit. My consent to disbarment is hereby given with the full and certain knowledge that I will never practice law again and knowing that I will be charged with and prosecuted for theft in the first degree.
5. I am unaware of any pending investigation or proceeding but I admit that grounds exist for revocation of my license to practice law. The grounds include that I misappropriated funds from my client trust account and appropriated those funds to my own use. (Section 714.1(2) of the Code of Iowa.) The funds I removed from my client trust account were not earned by me, I was not entitled to them and I spent them.

6. If disciplinary proceedings were commenced against me, I could not and would not defend against them. I deeply regret, beyond my ability to describe, my theft of funds belonging to my clients. My conduct merits disbarment.
7. Because Rule 35.16(1)(f) requests any matters in mitigation, I state that I have a debilitating gambling addiction, that I have self-excluded myself from the casinos I frequented (as well as all casinos in Iowa, Wisconsin and Illinois), that I attend individual counseling at least weekly, and that I will shortly begin attending one-day-at-a-time meetings. I have not gambled since making initial contact with the SASC Addiction Treatment program October 6, 2012, and will do everything in my power to never gamble again. Although I am unaware of any additional actions which my physician or counselors may recommend to assist my recovery, I will make every effort to continue cooperating with any and all recommendations to aid in my recovery.
8. Although I am unaware of any alternative or additional sanctions the Iowa Supreme Court may take, I consent to them.
9. I will, this date, make a complete report to the Cedar Rapids Police Department, the Linn County Attorney's Office, and the Client Security Commission. I will fully cooperate to the best of my ability and take

responsibility with these and any other agencies to assist with the mitigation of any damages my actions have caused my clients.

10. The facts I admit above are true.
